

**Carstairs Primary School Parent Partnership presents a  
very special silent auction for a framed print  
by James Somerville Lindsay**

**Springtime in the Gardens, Edinburgh**

James' work draws its inspiration from the great impressionist masters. Little wonder then, that his early years as an artist were spent following in their footsteps through the South of France. On the road in his old campervan painting plein air he developed the style he is now renowned for. Whether emotive or impressionist in style, capturing those moments of light and shadow that render the ordinary extraordinary are his passion. This print is framed in a beautiful silver wooden frame and can be viewed in the school reception area.

**If you would like to bid in the silent auction, please complete an auction slip and place in the auction box in the school.**

**Alternatively, please contact [carstairspc@gmail.com](mailto:carstairspc@gmail.com) to place your bid. The silent auction will end at 12 o'clock on Thursday 14<sup>th</sup> December.**
