LEARNING JOURNEYS 22-23 (added 25 May 2023)

Our Learning Journeys (soon to be known only as **LEARNING TARGETS**) have been updated for Term 4 (April - June 23). Parental engagement with these is a key part of the journey! In order to help our parents and families understand these more, our children have made a wee video to explain! Please pop to our photo gallery and click the first link '**LEARNING TARGETS - VIDEO FOR PARENTS MAY 2023**' for more guidance and please check out the targets and progress shown in all of the termly updates on your child's Google Classroom Learning Journey.

Team Carstairs Climate Conference - 24 February 2023

Our Class Climate Conference videos are now available in our photo gallery area! Please check out our children's work, sharing important messages about saving our planet! Top row in the album when opened - P1/2 & P2/3, middle row - P4 & P5, bottom row - P6 & P7. We hope you enjoy the efforts made by each of our classes and learn a little along the way! Well done to all of our children and staff for improvising on the planned format to make sure these important messages could be shared with as many family members as possible! Go, Team Carstairs!

Outdoor Learning - New Whole School Resources

We are overjoyed with the upgrade we have recently had to our Outdoor Learning facilities, thanks to an amazing partnership with Babcock International / Rail Systems Alliance, further enhancing the area of our beautiful Storyteller's chair (that we already had bespoke made and so kindly gifted to us). Click the link here to have a look at our amazing Storyteller's Area and our sensational new Outdoor Classroom! We love it and hope you do too! [See images here](#)

Parent Survey - Collation of Responses

Thank you to all who responded to our recent parental survey. The collation of responses can be found here:

Team Carstairs MacMillan Fundraiser - 26 September 2019

Thank you to our families and amazing community for the great support that we received at our first ever Family Fun Run and Coffee Morning. We always enjoy fab support at our MacMillan Coffee Morning, but it was lovely to welcome our families along today to participate in the Fun Run aspect of the day, as well as enjoy refreshments in our school hall. Your AMAZING support helped us to raise an amazing £416 for MacMillan Cancer Research. What a great total!

A special well done to our 'Painted Rocks' Team and our 'Bracelets' Team - groups of pupils who asked if they could give up their own time to make a variety of creative goods to sell for 50p a pop, to add extra to our MacMillan pot.

Well done to all team members - pupils, parents and staff - for an awesome job on our first big school event of the session. We look forward to many more special days this session! Check

out our gallery section on our website for some action shots of the outdoor activities that went on in aid of MacMillan.
